

08/96; Revised 12/02

School of Public and Environmental Affairs  
Indianapolis Campus  
Minor Program Checklist

## MINOR IN HEALTH SYSTEMS ADMINISTRATION

Any Indiana University students enrolled in a baccalaureate program, **except those pursuing a degree in public health** may pursue the minor in health systems administration. Students who successfully complete the requirements will have the minor conferred with their degree.

Students must declare their intention to receive a minor by completing an **application** which will be available in **SPEA Student Services, BS 3027**. This application should be completed at the same time the student completes an application for graduation for the baccalaureate degree.
