PUBLIC AND NONPROFIT FINANCIAL MANAGEMENT MINOR

Any Indiana University students enrolled in a baccalaureate program may pursue the Public and Nonprofit Financial Management minor. Students who successfully complete the requirements will have the minor conferred with their degree.

Students who are pursuing the BSPA Management major should consult with their academic advisor to ensure they are following the Bulletin policy on double counting courses.

Students must declare their intentions to receive a minor by completing an **application**, which is available in **SPEA Student Services, BS 3027**. A **minimum GPA of 2.3** is required in courses taken specifically for the minor. At least **9 of the 15 credit hours** must be taken on the IUPUI campus.

SPEA Students earning a SPEA minor may double count two minor courses.

*Note: A200 Foundation of Accounting is offered each semester and usually in the summer also. Starting in Spring 2006, it will routinely offer both video-sessions as well as live sessions. SPEA students should be advised to take the live, in-class sessions. The video sessions are primarily for undergraduate certificate students of the business school.

**A201 is offered each year. The course is designed primarily for business majors, and there is a pre-requisite of BUS A100. Students interested in the MHA program, however, may prefer the A100-A201 sequence over A200 because A201 is required for the MHA program
